

About us

PQSA and HomeCare+ are known by South Australians for our specialised disability services. We empower those with spinal cord injury (SCI) and other disabilities to choose how they live their potential.

PQSA has been supporting South Australians for over 50 years and has achieved the highest level of service quality and excellence.

People with disabilities have the right to live the life they choose but the reality is they face barriers every day. We represent our community to influence effective change and deliver quality services to uphold those rights and remove those barriers.
